

It's That Time Of Year Again...

Thumbuddy Special

Is looking for pamper items for our
Moms Day Out gift baskets.

Some Ideas: hair products, nail polish, soft
slippers, facial products, lotions...
Anything girly!

Thumbuddy Special sponsors a day of pampering for 12 local
moms who have children with special needs. Moms are treated to
a day of shopping, spa day, and dinner to promote camaraderie
and friendship.

Any leftover items will be used for our Christmas baskets for
teenagers and moms.
We could also use Men's grooming products for our dads and male
teenagers at Christmas
